Setup Guidelines

***Setup time is 9-11am unless you are a food truck and we will make other arrangements for you to come in with less traffic. Booths open at 10 AM with parade at noon. The evening crowd does come back at 6 PM and it gets very busy until dark and before fireworks. Our food vendors usually sell out of all of their food in the evening. It is your responsibility to clean up the entire area that you use.**

***Booth Location: I will have your assigned booth spot assigned and will contact you the day before with your assigned spot.**

***Please do not leave booth unattended. Mendon City and/or any member of the Pioneer Celebration Committee will not be held liable for damage or theft.**

***You must provide all of your own tables and chairs. A shade canopy is strongly recommended. It gets hot and there is limited space with shade.**

*** If a generator is needed for food trucks only, it must be silenced at 9:30 PM prior to the firework show. No Exceptions! Fireworks will NOT begin until they are all off.**

***All food booths are required to have a temporary vendor permit that you must obtain from the Health Department as well as someone in the booth at all times with a food handlers permit. You must also follow all Health Department rules for having a food booth.**

***You are required to collect sales tax and file that with the state. The State of Utah will contact you after the event.**

If you have any questions, do not hesitate to contact us.
