

Mendon Pioneer Day 2026 Parade Info

Thank you for participating in our Mendon Pioneer Day Parade and Celebration this year!

In the LINE UP...you are Number _____

Line Up Time: 11:00-11:30 AM.

Line Up Starts at 300 South and Main Street and continues down 100 East to LDS Stake Center. Your lineup number will be spray painted on the road and hopefully easy for you to find. PARADE STARTS PROMPTLY AT NOON. The parade route will continue down Main Street to 300 North.

PLEASE DRIVE SLOW & be especially mindful of children on the parade route and in the lineup. We will pause as our horses carrying the flags will stop for the Pledge of Allegiance in the center of the block right next to the Mendon Square (Center & Main) in front of the speakers with the Microphone. As YOU pass this area, the announcer will tell a little about you and your float. PLEASE SEND A DESCRIPTION OF YOUR PARADE ENTRY FOR THE ANNOUNCER TO READ. This needs to include a business, family or organization name and a couple of sentences telling the crowd about who you are. Please get this to me no later than Monday July 20th.

It is forecasted to be very hot on Saturday. Please make sure you have lots of water, hats, sunscreen, umbrellas etc to help keep you cool.

SPRAY WATER ZONE – If you are spraying water, please note the ONLY SPRAY ZONE is between 100 South and Center Street which is just ONE BLOCK on the parade route.

SAFETY is our main concern so please drive slowly and be very cautious with your riders and the parade attendees. If you are throwing candy or swag....PLEASE throw into the crowds and far away from the vehicles in the parade so that there is no temptation for the little ones to run out into the street and in front of you.

Thank you again for participating in our parade and we hope you stay and celebrate with us on the Mendon Square into the evening hours. If you haven't been to our firework show...I would HIGHLY recommend it!

Any Questions or Concerns....don't hesitate to reach out.
